Amendment of Section 73.202(b)			
Table of Allotments,		FEDERAL BUREAU OF INVESTIGATION	Docket No. _____
FM Broadcasting Stations,			
(Paradise, Michigan)			

**PETITION FOR RULEMAKING**

Now comes David C. Schaberg, an individual, requesting that the Commission amend Section 73.202(b) of its rules to include channel 234A at Paradise, MI, as its first broadcast service.

Paradise is a rural community in Michigan's Upper Peninsula with no local service and no aural service of any kind within 30 miles. The community has its own post office and business district and is home to many seasonal businesses and tourist attractions.

The attached engineering shows that, due to the deletion of channel 234C1 at Gulliver, MI, channel 234A can be allocated at Paradise in conformity with the rules of the Commission and the US-Canadian Agreement. Petitioner will apply for the channel if allocated.

Petition therefore prays to the Commission to allocate channel 234A to Paradise, MI, as its first local and first aural service as follows:

	<u>Channel No.</u>	
<u>Community</u>	<u>Present</u>	<u>Proposed</u>
Paradise, MI	None	234A

Respectfully submitted,
